MDL 2777 EMC

**SUPPLEMENTAL DECLARATION OF
STEVEN WEISBROT OF ANGEION
GROUP, LLC IN SUPPORT OF
MOTION FOR FINAL APPROVAL OF
CLASS ACTION SETTLEMENT**

1 I, Steven Weisbrot, hereby declare under penalty of perjury pursuant to 28 U.S.C. § 1746
2 that the following is true and correct:

3 1. I am a partner at the class action notice and settlement administration firm, Angeion
4 Group LLC (“Angeion”). I am fully familiar with the facts contained herein based upon my
5 personal knowledge.

6 2. My credentials have been previously reported to this Court in my initial declaration
7 which was filed with Plaintiffs’ Motion for Preliminary Approval of Class Settlement and
8 Direction of Notice Under Fed. R. Civ. P. 23(e) (Dkt. No. 491) (the “Original Declaration”).

9 3. The purpose of this declaration is to provide the Court with an updated summary of
10 opt-out processing as outlined in the Supplemental Declaration of Steven Weisbrot of Angeion
11 Group, LLC in Support of Motion for Final Approval of Class Action Settlement (Dkt. No. 555-2).

12 **I. OPT OUT REQUESTS**

13 4. As of May 2, 2019, Angeion has received a total of 3,462 non-duplicative opt out
14 requests. Angeion contacted as many of those opt outs as practicable, either individually or through
15 counsel, to provide them with an opportunity to cure any deficiencies. After processing all
16 deficiency responses received and conducting additional audits, the total number of compliant opt
17 out requests is 3,192 (discussed in greater detail below).

18 5. Of the 3,462 non-duplicative opt out requests, 270 requests are deficient. The 270
19 deficient opt out requests consist of (i) 177 requests submitted for individuals who claim to have
20 sold their vehicles before the January 12, 2017 Notice of Violation or after the January 10, 2019
21 Settlement date, and are therefore not members of the class, (ii) 91 requests that are incomplete and
22 do not meet the opt out requirements set forth in Paragraph 6.1 of the Settlement Agreement and
23 Question 27 of the court-approved Long Form Notice, and (iii) 2 requests which were untimely.

24 6. 3,192 opt-outs are valid and complaint. These opt out requests account for a total of
25 3,179 unique vehicle identification numbers (“VIN”). Attached hereto as Attachment “1” is a list
26 of the 3,135 unique names associated with the valid and compliant opt outs, with the count of
27 VIN(s) and state of residence indicated.

7. The table below provides the breakdown of non-duplicative opt outs by eligibility category.

ELIGIBILITY CATEGORY	NUMBER OF VALID OPT OUTS
CURRENT OWNER	2,562
CURRENT LESSEE	53
FORMER OWNER	539
FORMER LESSEE	38
TOTAL	3,192

8. Angeion has conducted a thorough review of all opt-outs and will continue to audit the opt-out population going forward. If Angeion determines that a change is needed to an individual's opt-out status, we will inform the Court in a subsequent declaration.

II. CLASS MEMBER RESPONSE

9. As of May 3, 2019, there have been 85,198 unique visitors to the Settlement website.

10. As of May 3, 2019, a total of 34,772 unique email addresses have registered on the Settlement website to receive email updates on the Settlement.

11. In my opinion, these figures show a very strong Class Member engagement rate and demonstrate that the Notice Program has generated substantial interest in the Settlement.

I hereby declare under penalty of perjury that the foregoing is true and correct.

Dated: May 3, 2019
